The Chamber held a legislative breakfast meeting at Imperial's Catering in October. PA State Representative's Marcy Toepel and Tom Quigley along with Senator Bob Mensch each shared updates on their regions before opening the floor to questions from guests. Topics including pension reform, transportation, Veteran's Affairs, education funding, opioid crisis, and taxes were discussed.

Senator Mensch hosted his 5th Annual Veterans Appreciation Breakfast in November at the Upper Perkiomen High School. More than 450 individuals attended the event which included veterans, veterans' guests, exhibitors and speakers. Our Commonwealth is home to one of the largest veteran populations in the nation. Mensch believes we have an obligation to all veterans to honor their service and contributions both in peace and war. This breakfast was a small token of appreciation to our veterans. The event featured special guest speaker Sergeant Major (Retired) Richard C. Hamp. He currently serves as Director for the Bureau of Programs, Initiatives, Reintegration and Outreach with the Pennsylvania Department of Military and Veterans Affairs. In addition, local State Representatives gave formal remarks and thanked the veterans for their service. Veterans also enjoyed patriotic songs performed by the Upper Perkiomen High School Women's Choir. Attendees were also able to obtain veteran ID cards from Bucks County and Montgomery County Recorders of Deeds.

THE LANDING OF COLLEGEVILLE
Atria Senior Living Residence
484-854-1600

THE LANDING OF COLLEGEVILLE an Atria Senior Living Community held a Grand Opening Event on October 21st. Upper Providence seniors have a new opportunity to discover the benefits of an active yet simplified lifestyle. Located in a charming residential area less than a mile from Providence Town Center, The Landing is a vibrant retirement community offering discreet, 24-hour support from a professional staff. Atria has proudly served older adults and their families in the Delaware Valley for more than 15 years.

SWEDE FAMILY CHIROPRACTIC hosted their annual mixer in October! As always a great event full of fantastic networking and wonderful prizes! Located in the heart of Trappe the leading health professionals

at Swede Family Chiropractic are dedicated to helping you achieve your wellness objectives, combining skill and expertise that spans the entire chiropractic wellness spectrum. Dr. Doug Swede and his team are committed to bringing you better health and a better way of life by teaching and practicing the true principles of chiropractic wellness care. As a patient at Swede Family the team will personally tailor a wellness program specifically targeted to your wellness needs using the least invasive yet highly-effective techniques and services.

GORSKI ENGINEERING held a ground breaking ceremony at The Limerick Fire Station where they will be building a new state of the art, two-story, 20,300 square foot building, equipped with five "drive through" apparatus bays. Included in the overall square footage is space for the existing members to sleep while staffing the Station during weather events, or other emergencies. Other vital spaces will include training and study rooms for the 70+ active firefighters to meet mandated training certifications, equipment and radio rooms, along with administrative offices. The new Station will also provide accommodations to maintain emergency medical services (EMS) staffing (provided by Trappe Fire Company Ambulance), and a space to support the Township Emergency Operations Center.

About Our MEMBERS

Sean Hannon and Mike Dirks of **DIRKS PEST MANAGEMENT SPECIALIST** were recently certified as Associate Entomologists by the Entomological Society of America Certification Corporation.

To achieve Associate Certified Entomologist (ACE) status, a pest-control operator must have a minimum of seven years of verifiable pest management experience, the knowledge and ability to pass a rigorous test on insect pest control, a current U.S. pesticide applicators license, and a willingness to adhere to the ACE Code of Ethics. As part of the ACE Code of Ethics, an ACE will only express an opinion on an entomological subject when it is founded on adequate knowledge and honest conviction; and will be factual in all estimates, reports, and testimony. "We're very proud of the work Sean did and the knowledge he gained in order to become certified ACE," said Nancy Dirks, "...it's exciting to know that Mike achieved this milestone in his career. His knowledge was never in question, but making the time to achieve his ACE certification is very impressive. "It's a process to get the ACE certification, he is one of 4 on the entire area and two of those are within our company. It means a lot to have TWO nationally-recognized, certified experts as part of the company."

John Ohler, Broker/Owner of **RE/MAX ACHIEVERS, INC.**, of Colleagueville is pleased to announce that Brent Harris, of the Colleagueville office, is among the 2,691 RE/MAX agents and teams featured in the 2016 REAL

Trends "America's Best Real Estate Agents" survey. The agents included in the survey represent less than 1 percent of all real estate professionals in the United States. "America's Best" is the industry's largest ranking agents based on homes sold in 2015. The survey is open to individual agents who closed at least 50 transaction sides or \$20 million in sales volume and teams who had at least 75 sides or \$30 million in volume. Both individual agents and teams of agents are recognized for their number of transaction sides and/or sales volume. RE/MAX agents accounted for 22 percent of the more than 12,000 participating agents who qualified for the survey. This year, RE/MAX had more agents named in the survey than any other brand. "The selling or buying of a home is one of the most significant transactions in our lives", Harris says. " I take my responsibility very seriously and approach this task with sensitivity, concern and the highest professionalism with each and every one of my clients. I am truly honored to be named among "America's Best" alongside so many devoted, hard working real estate professionals".

America's Most Convenient Bank®

TD BANK in Colleagueville, came together with the community to collect donations for Daily Bread Community Food Pantry. The event welcomed food donations on top of monetary contributions. Thanks to local support and a grant from the TD Charitable Foundation, a total of \$3,527.14 was raised. Now Daily Bread Community Food Pantry can support a large number of households and individuals in need of food. With help from the community and Daily Bread Community Food Pantry, offers residents in-need programs that provide food, promote the value of nutrition, increase self-sufficiency and instill hope. Additionally, the food pantry offers special holiday packages, school supply drives, free haircuts, nutrition education and in-home assistance from volunteers.

Joseph McCarrie joined **DEVON FINANCIAL PARTNERS** in September 2016 bringing several years' experience in other areas

of financial services. Prior to entering the financial services business Joe and his wife started a home health care company in 2006 focusing on the needs of seniors and their families. Joe specializes in long-term planning for families, business owners, and executives. He serves as a member of the Physicians Financial Resource Network where he helps guide physicians in their personal financial planning and medical practice planning. Joe has a passion for education and is a volunteer at the Alzheimer's Association and the past co-chair of the Alzheimer's Association of South Jersey. Joe has presented personal finance lectures on senior care at over 20 different assisted living communities and health systems in the Philadelphia and South Jersey area. Joe is a member of the National Association for Professional Agents, National Association of Insurance and Financial Advisors, Main Line Chamber of Commerce, Irish American Chamber of Commerce, and The Society of the Friendly Sons of St. Patrick. Joe is a registered representative of Park Avenue Securities, LLC.

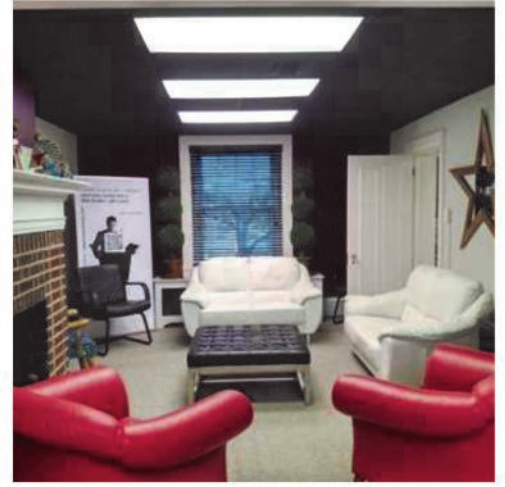

The bi-annual Buttaro-Ginnetti Cancer Golf Outings were a great success this year, raising close to \$30,000! The Outing was started in 2011 by Dave Buttaro and XPO Owner, Jim Ginnetti,

both cancer survivors at the time. Knowing firsthand the toll a cancer diagnosis and treatments can take on patients and their families, they decided they wanted to help other local cancer patients in our community. Through their love of golf - they have raised funds that have helped so many local cancer patients receive transportation to treatments, help with paying their heating bills and many more unexpected expenses they occur during their treatments. Dave Buttaro has since passed away from cancer - and this Outing will forever be carried on in his memory.
